Better than facebook

The Winthrop Netball club has taken on board the colour of the club and has become green. In order to cut down on paper waste all newsletters will be up on our website, available to download. While you are checking your facebook and Myspace why not have a look around at the website. All information such as umpiring rosters, upcoming events and important dates will all now be a click away. Become tech savvy and keep up to date with all newsletter issues.

First game

Keep plugging hard during training because the first game of 2009 is on May 2nd. Fixtures will be handed out during training as soon as the coaches are given them. Fixtures will be collected from FNA on 27th April and distributed to teams at the next training session. Until then push that little bit further and run that little bit faster, the 2009 Fremantle netball season is fast approaching!

Umpires Wanted

Do you want to learn more about the game? Do you want to improve your skills on court? Do you want to get paid and put something back into the club that created the player you are today?

Well why not umpire. There are still opening spots for anyone willing to umpire for the club. You will be rewarded for your efforts and get to meet the other umpires of the club and the association. There are so many benefits such as understanding the game better and learning how to become a better player. There is no reason to say no.

If you are interested please contact the umpire coordinator Lisa Hall, 9310 1166 or 0417 179 018 with any questions or if you want to become an umpire.

~Sponsorship Position Available~

We have had some great sponsors that have provided the club with prizes on wind ups and discounts to some of your favourite sporting goods stores and eateries. But now we need someone who is interested in taking on the sponsorship position in the club. There is a folder full of information from the past years about old sponsor contracts, and contacts to various sponsors, it just needs someone who is willing to take it on. We have had great success in finding new sponsors as well as maintaining sponsors. If you are interested please contact the President of the Club, Louise O'Donovan 9332 2980 or Vice President Don Leyland on 9310 6466. Your help would be greatly appreciated.
