The season has started and your committee is already heads down bottoms up working. The Annual General Meeting was held on February 13th and there was a rich turn out. Ages varied from 16 years toolder. From this meeting wine was drunk, laughs were shared but crucial decisions were made (we do know how to work). Without further ado meet your 2010 committee and if you wish to contact them then here are the details you need.

Grading is complete Now What?

During the three weeks of grading there was a fantastic turnout of athletes throughout all age groups. Even though it must feel like grading finished ages ago and your eager to start training and meet your coach and team mates there are still some fine tuning that needs to be done. But sit tight or start your own pre season training because all coaches will be meeting next Wednesday (24th) to pick up their equipment and get their teams contact lists.

Before you know it you will be running around that court in no time.
