The Winthrop Netball club has taken on board the colour of the club and has become green. In order to cut down on paper waste all newsletters will be up on our website, available to download. While you are checking your facebook and myspace why not have a look around at the website. All information such as umpiring rosters, upcoming events and important dates will all now be a click away. Become tech savvy and keep up to date with all newsletter issues.

WELCOME TO SEASON 2012.

The season has begun and teams are training and playing. New friends are being made both on court and on the sidelines. **THIS** is what Netball is all about.

Enjoy and become part of the fun and get involved in our club. We need the expertise and skills of our parents to keep our club alive and thriving.

If you would like to know more, come to our committee meetings and see how your club operates. New ideas are always welcome.

Please see our club President, Louise for more details.
