

President: Louise O'Donovan 93322980
Secretary: Deb Taylor 9332 0476
Coach Coordinator: Angela Munsie 0419910286
Registrar: Sue Geary 93153155
Umpire Coordinator: Jnr Natalie Paull

Uniforms

The club is still waiting on the remainder of the order to be delivered. So if you are waiting for uniforms, please be patient as they will arrive soon.

Also if you are interested in purchasing a Winthrop Netball Club jumper please contact Sharon Smith 93106467 with your enquiries.

Attention All Coaches

The club is hosting a coaching clinic on the 23rd of May. Junior coaches (primary grade coaches) will be at 2pm-3:30pm. Senior coaches (high school coaches) will be at 4pm-5:30pm.

The clinic will be focused on constructing training programs including drill progression, correct warm ups and stretching and correct throwing, catching and footwork techniques. So please attend wearing training gear and bring your questions with you, they will be answered.

New Junior Umpire Coordinator!

Thanks to Jane Haden who started the season by organizing a roster for junior umpires. The start of the season has been smooth sailing thanks to Jane's hard work. The position has been permanently taken by Natalie Paull. We are sure that Natalie will do a fantastic job and we wish her lots of luck!

If you wish to umpire or have any questions or suggestions please contact our new Junior Umpire Coordinator, Natalie, email paulls@descnet.com.au

Job Offer

There is a new job that needs someone to fill it. The club is looking for a Senior Umpire Coordinator. This involves organizing rosters and paying umpires, not with your money of course. Not only will you be helping your club but you will also get an inside glimpse into how a club is operated. If you are interested or are studying in a sport related field I strongly recommend you take this job because it will help towards your studies. If you are interested in this offer please contact Louise O'Donovan. This is a great opportunity to not only help out the club that has helped you but to get experience to take into the working world.

Interested in earning easy money without having to work awful hours at the supermarket (believe me I've been there), well there's an easier way.....umpiring. It's only an hour of work and you can get paid up to 20\$. What does it involve? Well you get to boss around 14 girls and make them do what you want, you can even tell parents and coaches off (if they are giving you trouble) and you are your own boss. What other job can say you can tell off someone else's parents and boss around girls on court? And you GET PAID for doing it. If you are interested in taking us up on our easy money offer contact Natalie Paull and put your name down. It's easy money!

New changes the Winthrop Primary

There are building works in progress at Winthrop Primary. Due to these works there are holes and loose sand so please be mindful walking around the school and the courts. Parking is still available at the normal places but to access the courts you must walk around past the oval and enter through the door closest to the undercover area.

Also we advise that all parents picking up their children from training must come up to the courts. Coaches have been told not to let their girls wait for parents in the dark or until they see a parent so to make this easier please make yourself visible at the courts.

For your future notice

The club will be selling chocolates later this season to fundraise for the club. The money raised will go towards trophies, end of year wind ups and equipment which are all crucial elements of club netball. None of the money is pocketed by the committee. Each family will have the choice to either sell a box of chocolates or make a donation to the club. More details and information will be posted soon.

Girls on Film

Before taking any pictures or film of players under the age of 18, you need to seek permission from the coach and or manager of both teams and also inform the umpires.

Want to stay ahead of those other coaches? Well check out the Fremantle Netball website, www.fremantlenetball.com.au . They have results of old games and ladders of past seasons. So check it out and let's get strategic!
