Give yourself a round of applause!

This year the club raised a large amount of money to be put towards equipment and expenses by either selling boxes of lollies and chocolates or donating a small amount of money. This was a huge success and now we are looking forward to putting that money to good use to benefit all club members. A huge thank you to everyone who donated money or sold boxes. Not only did you help raise funds for the club but you also got to represent your netball club, which will hopefully entice some new members for the 2011 season. Also the club would like to thank Jenny Wyatt and Abir Roz for organizing the fundraising, distributing the boxes and collecting all funds. It was done so smoothly with no problems or hiccups. It was truly a magnificent job you both did so Thank you! Thank you! Thank you!

Girls on film

We have a few games left before we start to prepare for finals so it is the perfect time to take a team photo. For those teams that want a team photo we ask that someone from that team eg manager or parent take the photo then send it to Louise O'Donovan. Louise will get it photoshopped, add names and print these at no cost to the players. The place you take them in and how you want everyone to dress is totally up to the team. You can structure your own team photo and have your own schedule to work with. So ask the rest of your team members and decide if you would like a team photo.

Position Vacant

Next season we are looking for someone to fill the position of club registrar. This person is responsible for keeping record of all members of the club including monitoring the years everyone has played as well as collecting registration forms and fees. I strongly encourage anyone who is interested in one day having a career in sport or is studying a sport related degree to take up this position. You can trust, me this job (writing the newsletter) helped me get my sport management degree. Training by the current registrar will be available so you can be equipped for next season. It is a fantastic way to be involved in the choices the club makes, as well as getting to know the many names and faces of people that make this club great. Best of all you are only busy at the beginning of the season and then a little bit at the end so during the season you're laughing! So if you are interested please send your expression of interest to Louise O'Donovan, club President by the 28th of August.

Shining Stars

On Sunday the 25th of July was the State League 18 and under Grand Final and I am happy to report that the Coastal team won! In this team we had a few girls in our club applying the skills they had learnt from Winthrop's finest coaches.

Big congratulations to:

Eve Guelfi- who also won best player on court

Morgan Adshead

Hailey Wyatt

Kara Edwards

Sarah James- team physio

During the school holidays, while most of us were enjoying the break from the early mornings, the long days and the \$2 parking fee, there was the Academy Cup Carnival.

We would like to congratulate Sandi Francis who coached the division 2 team, player Lauren Ziegelaar who won their division and Anthea Garbellini who was in the division 1 team, which ended up in second place.

It is fantastic to see that in Winthrop we have the coaches that produce high quality players who play in state league and other district teams that finish with high results.

Just a reminder that if you can not play your game on Saturday and you usually umpire as well, can you please contact Natalie Paull for juniors or Les Preedy for seniors a few days before the Saturday you are absent as this would be very helpful for them to find a replacement.
